

STARS FOR A DARK NIGHT 2025

On the darkest night, we see the most stars...

Join fellow community members, Hospice Peterborough, and the Peterborough Public Library to come together and fill the library lobby wall with stars in memory of people who have died. Stars are available to decorate at the library and at the front desk of Hospice Peterborough throughout the month of December. You can also use this template to make your star at home. Please note: once contributed, stars cannot be returned to you.

Memorial Ceremony:

On Thursday, December 18 at 4:00 pm, we will come together in the Peterborough Public Library FOL Community Room for a short, reflective memorial ceremony to honour your loved ones with an opportunity to decorate a star. **We encourage you to join us!**
